TECHNOLOGIES LLC

THE COMPANY

Welcome to Infome Technologies, the leading technology provider in the UAE & Middle East since 2015.

Our commitment and strategic partnerships with industry giants like HPE, Dell, Evolis, Zebra, and Lenovo set us apart as the go-to choice for modern technology solutions. At Infome Technologies, we understand that every business is unique, with distinct challenges and requirements. That is why our team of skilled experts is dedicated to designing and implementing technology solutions tailored to your specific needs. Whether you are a startup or an established enterprise, we have the expertise to deliver robust, scalable, and reliable technology infrastructures that serve as the backbone of your success.

Our comprehensive range of services covers every aspect of your digital transformation journey. From consolidation to virtualization, data center design to migration to cloud-based platforms, we have got you covered. By leveraging the latest technological advancements, we empower your business to build a strong IT foundation, enhance its growth, and optimize operations. Headquartered in Dubai, we have established dedicated branches in Abu Dhabi and the Kingdom of Saudi Arabia, strengthening our presence across these key regions. Our services extend throughout the UAE, the Middle East, and Africa, ensuring comprehensive coverage and support for our clients.

Enterprise Solution

Server , Storage & Cyber Security

Infome, renowned for its credibility as a dealer of top brands like Dell, HPE and Lenovo, offers you a wide array of premium enterprise solutions to cater to all your IT needs. You can confidently choose from our exceptional range of products to meet and exceed your specific requirements with ease. Our offerings come at reasonable prices, ensuring you get high quality servers and storage solutions tailored for both home and office use. Trust us to provide you with top notch products that meet your needs and exceed your expectations.

ID CARD PRINTERS

We offer a complete range of solutions for ID card printing, including direct to card, high definition retransfer, or inkjet ID card printing solutions. We provide industry leading identification technologies that ensure ease of use, reliability, and the highest levels of security. Additionally, we offer customized ID card solutions, catering to various needs, including national IDs, government ID cards, and more.
