# ABOUT US

## Infome: Delivering the Right Technology, Right Solutions

Welcome to Infome Technologies, your trusted IT solutions provider in the UAE and the Middle East since 2015. We believe technology is significant in driving business success.

We partner with global leaders, including **HPE, Dell, Evolis, Zebra, and Lenovo**, to bring world-class solutions.

We stay up-to-date with the latest innovations to enhance performance, maximize productivity, and improve operational efficiency.

Delivering the right technology with the care, support, and expertise our customers deserve.

We work closely with you to understand your challenges and build a **robust, scalable, and dependable IT infrastructure**.

Headquartered in **Dubai**, with branches in **Abu Dhabi** and **Saudi Arabia**. We reach throughout the UAE, the Middle East, and Africa.

# SERVER, STORAGES & CYBER SECURITY

Servers and storage are the backbone of every business's IT infrastructure. Infome is the most trusted provider of top-notch servers and storages.

We are an **Authorized Partner** of HPE, Dell and Lenovo servers. We ensure that you get high-quality servers at an affordable price range.
